RE: Notice of final determination in the antidumping duty investigation of steel concrete reinforcing bar from Mexico (A-201-844) and critical circumstances, in part.

1. On 09/15/2014, Commerce published in the Federal Register (79 FR 54967) its final affirmative determination of sales at less-than-fair-value in the antidumping duty investigation of steel concrete reinforcing bar from Mexico (A-201-844).
2. The merchandise subject to this investigation is steel concrete reinforcing bar imported in either straight length or coil form (rebar) regardless of metallurgy, length, diameter, or grade. The subject merchandise is classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) primarily under item numbers 7213.10.0000, 7214.20.0000, and 7228.30.8010. The subject merchandise may also enter under other HTSUS numbers including 7215.90.1000, 7215.90.5000, 7221.00.0015, 7221.00.0030, 7221.00.0045, 7222.11.0001, 7222.11.0057, 7222.11.0059, 7222.30.0001, 7227.20.0080, 7227.90.6085, 7228.20.1000, and 7228.60.6000. Specifically excluded are plain rounds (i.e., non-deformed or smooth rebar). Also excluded from the scope is deformed steel wire meeting ASTM A1064/A1064M with no bar markings (e.g., mill mark, size or grade) and without being subject to an elongation test. HTSUS numbers are provided for convenience and customs purposes; however, the written description of the scope remains dispositive.
3. This investigation has been assigned investigation number A-201-844.
4. Commerce has determined that critical circumstances exist for all imports of steel concrete reinforcing bar from Mexico. CBP shall suspend or continue to suspend liquidation of such shipments that are entered, or withdrawn from warehouse, for consumption on or after 01/24/2014, which is 90 days before the date on which suspension of liquidation was first ordered for such entries.

Because Commerce did not determine until the final determination that critical circumstances exist for Grupo Simec, effective 1/24/2014 through 9/14/2014, for such entries, CBP shall require a cash deposit equal to the margin for the producer and/or exporter listed below:

Cash deposit rate: 10.66%

(Note: Entries may have been made under the Producer and/or Exporter name Simec International 6, S.A. De C.V or Orge S.A. de C.V.)
